Chicago, IL – December 2020 — The Hospice Medical Director Certification Board® (HMDCB®) has recently completed its second Continuing Certification Program (CCP) examination of hospice medical directors and hospice physicians. The 2020 CCP examination allowed for certificants that initially certified in 2014 and 2015 the opportunity to recertify. A total of 136 certificants successfully passed the CCP examination and will continue to hold the HMDC credential. The remaining 2015 certificants will have the opportunity to complete the CCP examination in 2021.

HMDCB saw a wide variety of candidates who applied for the exam: from diverse geographical regions, job roles in hospice, professional hospice experience, and hospice size. To view a list of those who recertified in 2020, please click [here](#).

HMDCB is committed to improving patients' quality of life by promoting the excellence and professional competence of the distinctive role of the hospice physician. To search for certified HMDCs, visit the "[Find an HMDC](#)" directory. The 2021 CCP Examination application cycle will open June 7, 2021.

For more information about HMDCB, visit www.HMDCB.org, email info@hmdcb.org, or call 847.375.6740.

The Hospice Medical Director Certification Board (HMDCB) serves as an independent, not-for-profit certifying body established to administer a certification program for hospice medical directors and hospice physicians. The mission of HMDCB is to relieve suffering and improve quality of life by promoting the excellence and professional competency of hospice physicians. For more information, visit www.hmdcb.org.
