

# ADVERTISEMENT OPPORTUNITIES

## with the Hospice Medical Director Certification Board

Connect with over 1,300 certified hospice physicians throughout the country by taking advantage of HMDCB's unique advertisement opportunities.

### WEBINAR SPONSORSHIP

HMDCB hosts [webinars](#) where certificants can learn about relevant topics in the field. These events provide a great place for external organizations to promote services and sponsor important educational opportunities for physicians. Through webinar sponsorship, HMDCB can offer these webinars for free to our dedicated certificants, and you have the chance to market your organization to over 1,300 hospice physicians.

### SPONSORED EMAIL: \$300

The sponsored email will be sent on your behalf to all HMDCB certificants; staff will even work with you to design an attention-getting email. This is a great opportunity to promote open positions, educational events, and much more. HMDCB limits the number of sponsored emails sent quarterly to ensure this remains an exclusive opportunity. *Only three sponsored emails are sent each quarter.*

### MAILING LIST: \$250

Rent HMDCB's certificant mailing list to send a mailing to all certified physicians. This provides the opportunity to promote your organization, products, events, or services via a letter, postcard, brochure, flyer, or other approved mailer.

### CUSTOM PACKAGES

HMDCB staff is open to working with interested parties on a mix of the above options that would allow for enhanced engagement with HMDCB certificants and benefit your organization. Depending on the package, a discount may be available.

### CONTACT US

Learn more and create a custom package by contacting Gina Parisi at [gparisi@hmdcb.org](mailto:gparisi@hmdcb.org).
